# The Hydropool Evergreen Commitment Enhances Your Life In More Ways Than Ever.

Hydropool's Evergreen Commitment allows our customers to rest comfortably knowing they are enjoying a premium hot tub or swim spa experience that will enhance the environment as well as their lives for years to come.

**The World's First Carbon Neutral Hot Tubs and Swim Spas** Hydropool is committed to minimizing and neutralizing the carbon emissions from our manufacturing processes. Our lean manufacturing initiatives are constantly reducing the size of our carbon footprint. Our Tree Planting Initiative Program ensures that we support environmental projects that neutralize the carbon emissions in our manufacturing processes.

## **The World's First Approved Hot Tub and Swim Spa Manufacturer to the Standards of the state of California**

Hydropool is committed to be on the leading edge of developing energy efficient technologies. Our unique Self-Cleaning, and HydroWise Thermal Shield Systems enable us to meet the rigorous energy efficiency standards of the state of California.

**Environmentally Responsible Printing** Hydropool is committed to supporting responsibly managed forests in order to protect wildlife habitats, to ensure clean water and to keep our forests healthy for generations to come. Therefore, all of our corporately produced posters and brochures are printed by companies certified by the Forest Stewardship Council (FSC) on FSC approved paper.

**Reduce, Reuse, Recycle** Hydropool is committed to reducing the waste that we send to landfills. In addition to Lean Manufacturing initiatives which reduce and/or reuse waste materials we are also engaged in a corporate wide recycling program. Even the Everlast Cabinetry on our hot tubs and swim spas are recyclable.

**HYDROPOOL**  
**evergreen**  
commitment

Under the Hydropool Evergreen Commitment we plant a tree for every hot tub or swim spa sold. For more information go to [treescanada.ca](http://treescanada.ca)

**Lean manufacturing** reduces costs to fund carbon offsetting

**Our reduce, reuse & recycle programs** minimize waste

**We use paper** from well managed forests and other controlled sources

**Everlast Cabinetry** is 100% recyclable

**100°F / 37°C** The EXCLUSIVE HydroWise Insulation System provides energy efficient heating

**SAFE WATER GUARANTEE** The Self-Cleaning System provides energy efficient water filtration

## Terms and Conditions

- 1) 2021 Swimspa Options and Spec's are effective for all orders shipped after Feb 1st, 2021
- 2) All orders must have a firm shipping date to be specified at the time of order. Orders without a requested ship date will not be processed.
- 3) All pricing of orders and invoicing for swimspas and options is NET for 2021 with volume and exclusivity discounts deducted from net prices.
- 4) The customers account must be within their credit limit and within payment terms to ensure orders will be processed.
- 5) All orders that have been placed cannot be changed for any reason. This will stop any retailers placing "Place Holder Orders" with the thought that they can be changed as they move towards being built.
- 6) All cancelled orders for swimspas will be charged a cancellation penalty of \$600 for a swim spa.
- 7) Any product not paid for after the 5 day payment policy will go back into stock and be charged a restocking fee of \$600 for a swim spa"
- 8) The above charges will be invoiced and added to your next unit shipped. There will be no exceptions to this policy.
